Growth

Tooele County School District currently has more than 1,400 employees. Each year Tooele County School District hires 90-110 new educators. Growth is strong in the county, as a result TCSD has many new facilities with plans to open a new elementary in 2008, and a new high school by 2009. To accommodate student growth, TCSD recruits in many parts of the United States as well as Mexico. By fall of 2010, Tooele County School District is projecting 15,145 students. A student population growth of 6.1% annually.

Tooele County School District's current student population is greater than 12,000 students, ranking TCSD as the fastest growing district in Utah, and the 10th largest in the state.

Superintendent Mike Johnsen

"My best two days of the week occur when I visit teachers throughout the School District and observe their skills. Our teachers are enthusiastic, caring and committed to using data to drive quality instruction while also teaching values and character."

Commitment to Technology

Teachers and students have access to technology including: desktop and laptop computers, LCD projectors, interactive whiteboards, document cameras, scanners and more. Computer labs accommodate large classes offering software and resources to enhance instruction. Currently TCSD is implementing wireless infrastructure throughout its schools. TCSD collaborates with the Utah Education Network and Utah State Office of Education in providing a variety of technology training courses for teachers.

Recreational Activities

Outdoor recreational opportunities include: mountains, desert, lakes, Great Salt Lake, four golf courses, hunting, biking, horse back riding, world class racing at Miller Motor Sports Park.
